eLEARNING PROGRAM  
**OCTOBER 24, 2023**  
BULLETIN

## Testing Updates

### Testing @ eLearning

As we approach the end of marking period 1, students will be participating in various eLearning testing activities, such as end-of-unit, periodic, and performance-based assessments.

Students **MUST** use a BCPS-issued device and turn their cameras on when testing.

- Attend daily Revisit sessions during lunch to receive extra support from your teacher when preparing for tests and other assessments.

### Testing in the School Building

Educational Options students (voluntarily enrolled) will take several required tests such as AP, MAP, MCAP, MISA, and SAT at their home school (where they would be attending if not enrolled in eLearning). Please contact the counselors at your home school for more information.

- If you are testing at your home school, be sure to inform your Homeroom and Period teachers.

## Having Tech Issues?

- Call the BCPS Help Desk @ 443-809-4672
- Submit a Technology Request Form

## Celebrating MP1 Achievement

We are planning to recognize and celebrate student achievement in Marking Period 1, so let's finish our first marking period **STRONG**. Please continue to check Schoology grades and reach out to your teachers for extra help during Revisit sessions.

## Upcoming Important Dates

- End of Marking Period 1/Schools Close Three-Hours Early: **November 3, 2023**
- Professional Development Day/No School for Students: **November 13, 2023**
- Thanksgiving Holiday/ALL BCPS Schools & Offices Closed: **November 22-26, 2023**

School breaks are a much-needed respite for all, but they can sometimes disrupt a student's daily routines. Resuming a normal school routine swiftly following any extended breaks helps students readjust more comfortably and ensures they don't miss out on important recaps and new learning introduced.

Consistent attendance immediately after breaks aids in maintaining academic momentum, fostering a sense of commitment, and building a routine that supports learning.

**REMEMBER, ATTENDANCE MATTERS!**

## eLearning Reminders

- **Attendance** - In order to be marked present, students should have their cameras and microphones on, so teachers can verify their attendance in live sessions.
- **50-Pt Grading Scale** - All scores on student assignments and assessments will range between 50 and 100.
- **Grade Period** - **Students have a** one-week grace period from the date an assignment is due to submit late work.
- **Weighted Grades** - Grades calculations are based on major assessments (70%) and minor assessments (30%).

## Weekly Attendance Incentive Winners

### Week of October 9th

Rachel G. - MS | Alexi U. - MS  
Shea'Von H. - HS | Hunter C. - HS

### Week of October 16th

Calvin F. - MS | Sophia S. - MS  
Fatima A. - HS | Mahlia J. - HS
