## Illustrative Math

Illustrative Math is part of the BCPS math curriculum. While the digital text is available to students, we can also arrange for students to pick up a physical copy of the workbook. Interested in a copy to keep at your desk? Use the link below to request one, which can be picked up from your home school.

New Staff Members

Our Team just keeps growing! Welcome Mr. Caleb Johnson and Ms. Sarafina Harper to the eLearning team, who will both be joining us as long-term substitutes with experience working with middle and high school students. Mr. Johnson will be teaching English 9 and English 10 classes. Ms. Harper will be teaching Ancient World History 6 & 7 and American History 8 & 8 GT classes.

MP1 CONFERENCE NIGHT
Tuesday, October 3, 2023

All conferences will be virtual. Check your student's Course page in Schoology to sign up for conferences.

Having Tech Issues?

- Call the BCPS Help Desk @ 443-809-4672
- Submit a Technology Request Form
  www.bcps.org/tech_support

Testing Security

For testing security and test monitoring, all BCPS assessments need to be taken on a BCPS device. Like all BCPS teachers, eLearning staff will be using GoGuardan to monitor student testing. If you do not have a working BCPS device, please contact the Help Desk @ 443-809-4672.

Magnet Expo

Interested in attending a Magnet School next year! The Magnet Expo will take place on Saturday, September 30, 2023 from 10 AM to 1 PM at the Delta Hotel Hunt Valley - 245 Shawan Road, Hunt Valley, MD 21031.

Reminders

DONT FORGET!

- Please check student progress regularly by reviewing Schoology grades & assignments.
- Student Interim Grades will be available on October 2.
- Students should use their cameras/mics to verify their attendance.
